

# ■ Suzlon Bags 252-MW Contract in Gujarat

**MUMBAI** Wind turbine maker Suzlon has bagged a 252-MW contract from a global firm as a part of the Solar Energy Corporation of India (SECI)-II bid in Gujarat. Under the contract, the company will install 120 units of 2.1 MW of S111 120m in Gujarat, it said in a statement. With this order, Suzlon has secured combined orders of 502 MW across SECI-I and SECI-II auctions, the company said.
